

About ICMT Careers

ICMT Careers is a dedicated academic career initiative established to support, connect, and empower educators, researchers, scholars, and academic professionals in identifying and accessing faculty career opportunities across educational institutions.

The initiative aims to create a vibrant professional ecosystem where academicians can discover opportunities, build professional networks, share knowledge, and contribute to academic excellence. ICMT Careers serves as a bridge between institutions seeking qualified faculty and talented educators aspiring for meaningful academic careers.

Vision

To become a trusted and impactful academic career platform that empowers educators and strengthens academic institutions through meaningful professional connections and opportunities.

Mission

- To connect educators with faculty career opportunities.
 - To support academic institutions in identifying qualified teaching professionals.
 - To foster professional networking among academicians.
 - To promote academic excellence, collaboration, and career growth.
 - To create a transparent and accessible academic recruitment ecosystem.
-

Leadership Team

The ICMT Careers Initiative shall be led by a dedicated ICMT member leadership team responsible for planning, coordination, execution, outreach, and growth of the initiative.

Features

- ☐ Strong relationship with academic institutions.
- ☐ Verified opportunities
- ☐ Institutional Communication Channel
- ☐ Facilitate and support onboarding
- ☐ Database of academic institutions
- ☐ Announcements of opportunities
- ☐ Advisory from the ICMT
